

## Blackhawk X-Ploration Team

---

**Purpose:**

**Blackhawk X-Ploration Team** is a new program this year that is geared for young skiers (8+) interested in developing their abilities in all the programs offered at Blackhawk. This new exciting program replaces Third Flight. Students will cross train in the areas of **ski jumping, ski racing, freestyle skiing** and **cross country skiing**. Students will be offered formal instruction in each discipline with the ultimate goal of preparing for a friendly X-Game style challenge at the conclusion of the season.

**Requirements:** **Skiers MUST be graduates of the Second Flight program and MUST be 8+ years of age.**

Helmets and leather gloves or mittens are required.

To best utilize modern teaching methods, “shaped” downhill skis are recommended. Ski poles are mandatory for the ski racing and freestyle portions of the instruction. Alpine skis will be used for ski jumping. Students can bring their own cross country ski equipment or use Blackhawk cross country ski equipment (no extra fee) on days we will be working on that discipline.

**Registration:**

Sign up online at [www.blackhawkskiclub.org](http://www.blackhawkskiclub.org). Go to “Sign in for Memberships, Programs, Classes”, and follow the simple directions from there. Any other form of registration will be considered only after accommodations have been made for members who sign up online. **No changes or refunds are possible.**

**Cost:**

The fee is \$85.00 per child for a ten-week lesson block.

**Questions:**

Contact Kelley Linnan at [blackhawkskiclub@yahoo.com](mailto:blackhawkskiclub@yahoo.com) with any questions.

**Lesson Times:**

There are three lesson times on Saturday morning beginning December 5th. They are as follows (please sign up each child for only one lesson time):

<b>Early Session</b>	<b>Mid Session</b>	<b>Late Session</b>
<b>Saturday 9:00-10:00am</b>	<b>Saturday 10:15-11:15am</b>	<b>Saturday 11:30-12:30pm</b>
